ORDER

Defendant filed a pro se motion that the Court construed as a Motion for Compassionate Release under Section 603 of the First Step Act of 2018. Dkt. 386. Counsel has appeared on behalf of Defendant, and the case has been stayed pending counsel's review and analysis of Defendant's eligibility for compassionate release pursuant to the First Step Act of 2018.

The Court has ordered that "[p]roceedings will resume, and the stay will be lifted, when counsel files an Amended Motion for Compassionate Release on the Defendant's behalf or adopts Defendant's previously-filed Motion (by notifying the Court and filing a motion to lift the stay), a Stipulation to Reduction of Sentence is filed, or the Court grants counsel's motion to withdraw from the Defendant's case." Dkt. 387. The Court notifies the parties that, if one of these events has not occurred by **December 3, 2020**, the Court will lift the stay and enter a briefing order. The Court will extend the stay only upon motion from Defendant's counsel that is supported by good cause.

SO ORDERED.
